

PUBLIC PROCUREMENT OVERSIGHT AUTHORITY
Transforming Procurement

PPOA CAPACITY BUILDING PROGRAMME FOR 2014 – 2015

Public Procurement Oversight Authority is a state corporation responsible for the implementation of the Public Procurement and Disposal Act, 2005 and its attendant Regulations. Our key objective is to ensure public procurement is undertaken in an open, fair, transparent and competitive manner.

One of our mandate under Section 9(c) of the PPDA, 2005 is to develop, support training and the professional development of persons involved in public procurement. PPOA will hold a nationwide procurement trainings. The objective of the training programme is to improve the capacity of the stakeholders to carry out public procurement in an efficient, effective, transparent and accountable manner. All our trainings are tailor made to meet specific needs of the targeted groups identified below.
